

# Values

## Customer Commitment

We build positive relationships with our customers to ensure a difference for the better.

## Quality

We provide products with superior quality and unsurpassed service, which together ensures premium value for all.

## Integrity

Our integrity is of the highest standard in all of our activities.

## Teamwork

Working together, across the known and unknown boundaries to satisfy the needs of our customers and to ensure the success of the company.

## Respecting The People

We value our employees, promote their development and reward their performance.

## Superior Citizenship

We are thriving citizens in the communities in which we live in.

## Winning Mind-set

We show a strong mind-set in the marketplace and towards the success of our business.

## Personal Accountability

We are personally responsible to take significant action to deliver on all our commitments.
